CONTROL NO.

TOP SECRET RUFF

DATE

11 October 1974 25X1

SUBJECT

AREA: Missiles

IEG PI NOTICE

DISTRIBUTION:

All WGD, MSD, and SD PI's

No. 20-74

TITLE/SIGNIFICANCE:

Structures at Votkinsk Missile Final Assembly and Checkout Facility are associated with the mobile SS-X-16 program.

COMMENT:

Construction of large garages, and permanent structures over 920 feet of rail spur at Votkinsk Missile Final Assembly and Checkout Facility may provide signatures for mobile SS-X-16 ICBM deployment. Similar structure observed along the rail lines or near the areas depicted on the attached map should be reported
